Dear DOMINIC WEHRLI

This letter is to inform you the FAA has renewed your Inspection Authorization (IA) for a 2-year period until March 31, 2027, per Title 14 of the Code of Federal Regulations (14 CFR) part 65, § 65.93. This letter or an electronic image of it serves as an alternative to the endorsement (FAA Inspector/Safety Technician signature and date) normally placed on the back of your FAA Form 8310-5 (IA Card).

To remain in effect, you must show evidence of completion of one of the activities prescribed in § 65.93(a)(1) through (5) by March 31 of the first year AND completion of one of the five activities during the second year of the 2-year period as prescribed in § 65.93.

You are required to keep this letter or an electronic image of it with your FAA Form 8310-5 while exercising the privileges and limitations of an IA as prescribed in § 65.95. Additionally, your FAA Form 8310-5 and this letter must be available for inspection as required by § 65.95.

You may be required to present this letter/image and your FAA Form 8310-5 at your next renewal in March 2027.
